

FREE Perkins Nontraditional & Special Populations Workshops

Joint Special Populations Advisory Committee — www.jspac.org

Perkins legislation requires you and your staff to participate in professional development! **The JSPAC makes that easy with:**

- **FREE** and comprehensive workshops
- A periodic newsletter
- Research and product development, and
- An annual conference

Learning Outcomes include:

- **Learn** about Perkins legislation and the Core Indicators
- **Analyze** data for **accuracy** as well as program planning, evaluation and improvement
- **Acquire** simple ways to clean up, increase accuracy, and improve data
- **Discuss the Root Causes of & Strategies for** addressing internal, situational, and school based **barriers that prevent students from being successful** in CTE
- **Identify** the steps students should take as they select educational program or career
- **Develop** a unified regional team to close Core Indicator gaps & increase student success!

Everyone benefits (Who should attend) — Nontraditional & Special Populations program coordinators; **SB70 Directors**; academic & CTE educators & teachers, Perkins coordinators; Counselors, CTE deans/administrators; special populations program coordinators; Title IX/504/equity coordinators; Cal WORKs One-Stop directors & staff; student support staff; grant writers; institutional researchers; etc
